

# A Puzzle in Honor of National Historical Marker Day

The indented text (light blue in the Newsletter) is the larger text on 5 local historical markers. The other text (yellow in the Newsletter) is the smaller text on the markers. Your job is to drive through the area and see if you can put the lines of type in correct order AND on the correct sign.

If you want, use the tables below to record your answers. Either write the text in the boxes or put the numbers (from the charts on the right) on the left side of each box below. Note that one of the historical markers will have 5 lines of type and not 6.

1	INCORPORATED APRIL 30, 1865
2	<b>BUILT 1845</b>
3	THE SACANDAGA RESERVOIR
4	CORNERSTONE LAID AUG. 25, 1874
